

COUNTY OF BERGEN

Local Concept Development Study for
East Anderson Street/Cedar Lane Bridge over the Hackensack River
City of Hackensack and Township of Teaneck, New Jersey

Public Information Center Meeting

The County of Bergen, in cooperation with the North Jersey Transportation Planning Authority, the New Jersey Department of Transportation, and the Federal Highway Administration, will be hosting Public Information Centers (afternoon and evening sessions) to inform local residents, organizations, businesses and the general public of the Local Concept Development Study for the East Anderson Street/Cedar Lane Bridge over the Hackensack River located between the City of Hackensack and the Township of Teaneck.

The purpose of the Public Information Center meeting is to inform the public of the condition of the bridge and to solicit public input and comment towards the project purpose and need. These meeting sessions are being conducted in conformance with Federal and State regulations. The public is invited and encouraged to comment on the study. The public may attend either or both open house format meetings.
